**Custom Grown for the
Friends of the Monarch Trail
This milkweed is difficult to
germinate. The quantities available
depend on early season variables and
weather.*

*All preorders were filled last year.
We ran out on the second day of the
sale.*

*Chances are, you never thought of your garden...as a wildlife preserve that represents the last chance we have for sustaining plants and animals....
But that is exactly the role our suburban landscapes are playing.
~Douglas W Tallamy*

Full Flat Specialty Mixes; 32 plants - \$128 or Half Flat; 16 plants - \$64 (\$4 ea.)
